Add License Key

Please enter the license key below

Add License Key

- Automatic (recommended)
- The licensing process requires active Internet connection and usually takes a few seconds.
- Manual
- 3-step wizard for licensing when there is no internet connection available.

"UiPath Web Automation 21.10" added

Another program on your computer added an extension that may change the way Chrome works.

It can:

- Access the page debugger backend
- Read and change all your data on all websites
- · Manage your apps, extensions, and themes
- · Communicate with cooperating native applications

Enable extension

Remove from Chrome

Welcome to UiPath Setup

v2021.10.7

Quick (recommended for Community Users)

Install products with default settings

Custom (recommended for Enterprise/Advanced Users)

Install products and configure your automation development environment

UiPath collects usage and performance data to help improve its products and services. Learn how to opt out.

Size < 1 MB Permissions · Access the page debugger backend · Read and change all your data on all websites · Manage your apps, extensions, and themes · Communicate with cooperating native applications Site access Allow this extension to read and change all your data on websites you visit: (?)
